Digital Camera Test Page

Photograph this page from a distance of six meters without zoom with the camera's highest resolution and highest quality/sharpness setting.

This is the first day of my last days.

I built it up now I take it apart. Climbed up real high now fall down real far no need for me to stay the last thing left i just threw it away i put my faith in god and my trust in you now there's nothing more fvcced up i could do wish there was something real wish there was something true wish there was something real in this world full of you i'm the one without a soul i'm the one with this big fvccing hole no new tale to tell twenty-six years on my way to hell gotta listen to your big time hard line bad luck fist fvcc don't think you're having all the fun you know me i hate everyone wish there was something real wish there was something true wish there was something real in this world full of you i want to but i can't turn back but i want to
